DESCRIPTION

TierraInfinita presents this unique opportunity to acquire a spectacular estate of approximately 241 hectares with 900 meters of lake shore, located in the Los Riscos area, Los Lagos Region. The property is located on the road to Ensenada, 33 km from Puerto Varas and 12 km from Ensenada.

Of the 241 hectares, 90 hectares are flat and 151 hectares are forest. There are multiple spectacular views of the Osorno Volcano and Lake Llanquihue.

Among existing buildings stand two houses of 200 m² and 180 m² respectively, a new barn, a smaller third house, 3 large sheds and a barbecue.

From a production point of view, the main activity would be sheep or cattle ranching. The current owners manage the order of 150-180 cattle heads per year.

The topography of the property is very gently sloping, with beautiful views of the Osorno Volcano and Lake Llanquihue. Most of the surface is natural prairie clover and orchard grass. The total area of native forest within the property is 151 hectares, home to species such as olivillo, cinnamon, ulmo, tineo, coigue, hazel, bayberry, mañío and lingual.

The western boundary is the El Salto River, which turns into a waterfall of 20 meters long. The houses receive water from Pichicón River, at 25 liters per second.

Access and proximity to urban centers facilitates the management, operation and logistics. The site is easily accessible to agricultural machinery, professional and general services.

The prime location, beautiful surroundings and gentle topography makes this property exclusive and

unique in the area.
